

Shayla M. Russell, self-taught artist from the Bronx, NY.

Ms. Russel has been drawing since the age of 7 years old, and painting for 2 years. Essentially, her pieces are a reflection of the progress she has made in those two years. Shayla is inspired by New York City, social injustices of her community, nature, African American culture, other artists, life and love. Shayla's immediate goals are to improve her techniques and share this God-given talent with others.

Prayerfully she is able to use art to share her views about the world, with the world.
